

# SCOPE Philanthropic Camp of the Year

## Pierce Country Day Camp

Pierce Country Day Camp is proud to receive the 2022 SCOPE Philanthropic Camp of the Year award. Pierce is a proud supporter of SCOPE, having been a part of the growth and development of this youth-serving organization since its inception in 1991.

At Pierce we LOVE camp and LIVE camp in everything we do. Over the past 105 years, Pierce campers have created friendships and lifelong memories while building skills at camp. Four generations of our family have remained 100% committed to creating a magical place where children thrive. Pierce is an environment completely dedicated to the enrichment of children. Campers' self-confidence and spirit swell in our dynamic program which emphasizes personal growth, friendship, and fun.

SCOPE is near and dear to our hearts at Pierce. Our relationship started with SCOPE 30 years ago when Doug Pierce and co-founder Jay Jacobs established the SCOPE organization and it's been a part of Pierce Day Camp ever since. Over several years, our contributions and charitable events with SCOPE have included a Cycle 4 SCOPE event, Virtual Cookies for a Cause, and our largest event, taking place annually, the SCOPE Swim-a-Thon.

We believe in teaching our campers and staff the values of giving back to our community and affording this important experience for children who otherwise wouldn't be able to experience the gift of camp. As Doug Pierce has famously said, "SCOPE is the single best story we as a camp community have to tell." We firmly believe in their mission and will continue to proudly support SCOPE and their purpose.

We are very honored to receive this award which we share with our parent community, staff, and our campers!
